OUTPUT SCREENSHOTS

Step 1 : enter our email address and password

The screenshot shows a web browser window with the title 'Login'. The address bar displays '127.0.0.1:5000/login?next=%2F'. The page content includes a 'Login' title, an 'Email Address' label, an input field with placeholder text 'Enter email', a 'Password' label, an input field with placeholder text 'Password', and a blue 'Submit' button. The browser's tab bar shows several open tabs, and the Windows taskbar is visible at the bottom of the screen.

STEP 2 : After enter that click "Login"

After that website redirect you to notes :
